MATURE SERVICES HOLDS ANNUAL HEALTH AND SERVICES FAIR JUNE 20, 2017

Health and Services Fair Offers Information on Community Service Agencies

Akron, Ohio- Mature Services, Inc. will host their 2nd Annual Health and Services Fair on June 20, 2017 from 10 am to 1 pm. The event takes place at Mature Services offices located at 415 S. Portage Path, Akron, Ohio. This year, Akron Metro will be providing free transportation when bus drivers are presented the promotional flyer. The flyer is available on the Mature Services website at www.matureservices.org and on the agency's Facebook page. Last year's event brought out over 600 seniors in Summit County.

Please join us for an event designed to help you learn about programs offered by Mature Services and other community service agencies. Meet with representatives from Axess Pointe Community Health Center, Akron-Canton Regional Food Bank, Community Support Services, The Ohio Department of Job and Family Services, Metro RTA, Simply EZ Home Delivered Meals and many more. Prepare your questions and come to the fair!

According to Karen Hrdlicka, CEO and President of Mature Services, "This event has blossomed in our community, a strong indicator that the need for support services targeting older adults is growing daily. Last year's event was a huge success, and the number of businesses and agencies continuing to collaborate with us has increased as a result. Giving older adults the opportunity to obtain the federal and locally funded food market vouchers, access to the markets and fresh food, allows us to support seniors in a positive way."

During the event, the Akron Canton Regional Food Bank will be giving out fresh produce and shelf-stable foods to health fair attendees. Students from Akron Public Schools are volunteering to help assist with carrying boxes. Please bring a shopping bag for produce.

Mark your calendar for the health fair, and plan to learn more about Mature Services and the solutions we provide to help older adults and their caregivers remain active, healthy, and independent so they can continue to age with dignity. For more information, you can contact Valerie Henderson, Community Outreach Representative at Mature Services, at 330-253-4597, ext. 169 or email vhenderson@matureservices.org.

Mature Services provides high-quality programs to empower the economic, social, physical, and mental well-being of adults as they age. Founded in 1975 as a senior citizen program, it has since become an independent, nationally respected organization with offices throughout the state.
